The remains of the late Thomas W.

Royston, who died in Philadelphia on the
25th of October, were brought to this city
by express yesterday afternoon, and in accordance with his last wishes were interred by the side of the graves of a son and daughter in Blandford cemetery. Mr. Royston was formerly and for a number of Royston was formerly and for a number of years a well-known citizen and large clothing merchant of Petersburg. After leaving this city he resided for some years during and subsequent to the war in Richmond, and from thence went north.

The proceedings of the second annual meeting of the Bethany Baptist Association (colored), recently held at Frankin, Va., shows that the jurisdiction of the Association covers thirteen counties on the South Side, running from Amelia to Surry. The church-membership of the Association is 17,158, and the value of church property is \$58,568. ## ROBIN ADAIR. United Fire Underwriters' Meeting.

The second annual meeting of the United Fire Underwriters of America was begun in New York on Thursday in the rooms of the New York Board of Fire Underwriters, in the Boreel building, at No. 115 Broadway. Companies from all parts of the United States were represented. Mr. A. L. Snowden, of the Philadelphia Fire As-sociation, presided, and read the annual report, which showed very satisfactory re-sults for the year and left little to be com-plained of. The treasurer's report showed that there was a balance of \$3.373.03 on The different district committees made reports on rates and commissions, both for and against the district system.

The reports of district committees corroborated the president's remarks touching the failure of many strong campanies to cooperate in the work of making the plan successful. The chairman of one of the southern district committees said the main difficulty was because some New York managers carried their personal differences with them instead of letting the dead past bury its dead. W. L. Cowardin, of Richmond, said he hoped the committee would understand that an organization in Richmond had been held together for some fifteen—he might say thirty years if he in-cluded the interruption during the war—by fitteen—he might say thirty years if he included the interruption during the war—by a rope of sand. In fact, it had kept together so well that some New York companies send down there for business, not in the usual way, but by rail. He hoped gentlemen would quarantine their vices and not allow that sort of business to be carried on. Company officers could continue to ignore their stockholders and the public as they had been doing. He hoped the meeting would not adjourn until its members understood one another better. The discussion was suspended to allow the appointment of the Committee on Business, which is as follows: P. Notman, D. W. C. Skelton, J. N. Dumham, R. Dale Benson, J. W. Anderson, W. L. Cowardin, W. C. Synam, R. D. Alliger, and Henry Powles.

At the afternoon session a resolution was reported for the action of the Board recommending the adoption of the district system as the most economical and effective for covering the whole country.

ERIOUS CHARGES AGAINST A MALAN-LAND-OWNER.

[Special to the Philadelphia Press.]

ERIE, November 16.—Ezra Cooper, a millionaire, and the largest land-owner in Erie county, was arrested to-day. The complainant is Mrs. Mary Wheeler, the wife of a respectable tradesman of Union township, and tenant of the defendant. The lady alleges that Mr. Cooper exercised his landlord's privilege of entering the house to inspect the premises, &c., and that his visits were made at such times when her husband was away, and that by when her husband was away, and that by land wiles she was led astray by Coophana wile City Recorder, and the hearing was postponed until Monday. The defendant alleges he is the victim of a blackmailing
scheme. He went to Corry to-day to answer another charge of adultery, for which
he has also been arrested. The woman in
this latter case is a less reputable person.

An Unusual Railway Accident.

LITTLE ROCK, ARK., November 16.—At 10:55 o'clock last night, as an extra northbound freight train on the St. Louis and Iron Mountain railway was ascending Hogan's mountain, in Missouri, it broke in two, and the rear portion descended the mountain at the rate of sixty miles an hour. An engine which had been pushing the train started back, but was soon overtaken and completely wrecked. Seeing the danger, the engineer increased his speed to forty miles an hour. The engineer had his wrist injured and his head badly hurt. The fireman had his feet crushed and head injured, and a brakeman was seriously hurt internally. The names of these men are unknown.

> TUESDAY, NOVEMBER 21, 1882, 1 O'CLOCK P. M.

By virtue of authority vested in me as trustee in a certain deed of trust for the benefit of the creditors of the Richmond Banking and Insurance Company, which deed is duly recorded in the clerk's office Richmond Chancery Court. I will proceed to sell, at public anction, on the premises, on the day and hour above stated, the BANKING-HOUSE in which the said company conducted their business, fronting on Main street 30 feet, with a depth of 44 feet to an alley 4 feet wide.

This building, situated on one of the most promient corners of our business thoroughfares, is so well known to the public that a description in print is useless. Suffice it to say that it is one of the most substantial four-story structures to be found in the city, with elegant busement and a beautiful mansard roof. No money was spared in its careful construction. The large and spacious vanils, both in basement and banking-room, costing over \$8,000, are conceded to be the finest in the city for security and durability, being built with neased in chilled iron, and surrounded with granite. There are three offices on second floor and three on third floor—all occupied.

TERMS: One fourth cash; balance in four eight, and twelve months, 6 per cent. Interest, secured by trust-deed. CHARLES E. WHITLOCK,

TRUSTEE'S SALE OF FARM OF EIGHTY ACRES ON THE SOUTH SIDE OF THE WESTHAM PLANK-BOAD. FOUR MILES WEST FROM RICHMOND.—By virtue of a deed of trust executed to the subscriber by the late Colonel S. S. Myers, bearing date 14th of February, 1854, duly recorded in Henrico County Court, I shall, in execution thereof, at the request of the personal representative of the creditor thereby secured, proceed to sell at public auction, on the premises, on

at 12 o'clock M. (if fair; if not, on the first fair day thereafter), the FARM OF EIGHTY ACRES, more or less, located as above, now in the occupancy of Mr. James Via as tenant. The land is of fair quality, with a small but comfortable dwelling and kitchen thereon, and is in front of the handsome cottage-dwelling of Captain A. W. Garber, and is excellently located.

TEENS: Whilst the deed requires a cash sale, yet I am authorized to say that the credits may be extended as to two thirds at one and two years, bearing legal interest, secured by a deed of trust.
